

Grassland Restoration Forum

Annual Fall Information Session

Nov. 16, 2023, 8:30 – 16:00

SANSC Workshop- Nov. 17, 2023, 8:30-16:00

Claresholm Community Centre, 5920 8th Street West, Claresholm, AB

The GRF Fall Information Session gathers a variety of industry and grassland stakeholders to exchange current information on grassland restoration in Alberta. GRF is also supporting the Southern Alberta Native Seed Collaborative (SANSC) in providing a workshop on November 17 at the same location to help find solutions for our native seed shortages.

Our goal is to ensure that events and information are accessible to everyone. We rely on sponsorship to help with cost recovery and continuation of the Grassland Restoration Forum. Please contact us if you, or your organization are interested in providing support.
