

Grassland Restoration Forum

Fall Information Session 2024 - "Case Studies"

Thursday, November 14th, 2024, 8:30 – 16:00

Claresholm Community Centre, 5920 8th Street West, Claresholm, AB.

Join us in person for our annual Fall Information Session. This one-day event gathers a variety of industry and grassland stakeholders to exchange current information on grassland restoration and conservation through a variety of presentations and mini updates. With booths, feature artists and lunch provided, you can expect an informative day to network and catch up on grassland restoration news in Alberta. While we are still compiling our agenda, you can look forward to hearing about the following topics:

- *The Ecological Restoration of Grasslands - converting a cover of invasive smooth brome to native grasses and forbs - Mathis Natvik, U of C*
- *Environmental DNA research within AB grasslands - Jori Harrison, InnoTech Alberta*
- *Interim Reclamation on CFB Suffield - Karen Guenther, CFB Suffield*
- *Advancing native habitat recovery and improving carbon sequestration through harnessing soil microbial resources in Alberta's Prairie landscape - Dr. Adriana Morrell, Lethbridge College*

*Further topics to be added as speaker availability is confirmed

Prices for event:

Fall Information Session (Nov 14): \$100.00 per person

Students and Agricultural Producers: \$50.00

*Prices include beverages, snacks, a catered lunch, booths, and plenty of opportunity to visit and network.

Registration: Online at <https://grasslandrestorationforum.ca>. For other arrangements, contact Donna Watt at corpirate@shaw.ca or 403-563-8925. There is a \$50 administration fee for registration cancellations up to 48 hours in advance of the event. Sorry, no cancellations after that.

Our goal is to ensure that events and information are accessible to everyone.

We rely on sponsorship for cost recovery and continuation of the Grassland Restoration Forum.

Please contact us if you, or your organization, are interested in providing support.
